

POSITION VACANT

TEACHER OF SENIOR SCIENCE

St Ursula's College, Yeppoon, is a Girls Catholic Boarding and Day Secondary school located on the Central Queensland Coast.

We are seeking qualified applicants who will support the Catholic ethos and traditions of the College and demonstrate enthusiasm and professionalism in their commitment to the education of young women.

Applications are sought from Teachers qualified for and interested in teaching Senior Science, particularly Physics and/or Chemistry and/or Agricultural Science.

This is a full time, permanent position commencing Semester 2, 2019. The role description is available from our website www.stursulas.qld.edu.au. An Application letter, Curriculum Vitae and contact details of three (3) referees should be forwarded by 5pm Monday 17 June 2019 to:
